SWIM TEAM STAFF CONTACT

APY -P 920.954.7615

The YMCA of the Fox Cities offers a year-round competitive swimming program for all ages and abilities ranging from new swimmers to national-level athletes. Our focus is on developing character traits within our athletes and a culture within our team that promotes enjoyment of the sport of swimming, building of healthy relationships among teammates, and a desire for personal growth. Practice opportunities are offered between 4-6 days per week depending on the swimmer's age and ability.

*Registration, team information, practice times and locations, please check our website at www.fcyst.org

SWIM TEAM TRIAL - Thank you for your interest in joining our Team! Swimmers may try the team at the start of each season without obligation. We offer a two-week trial with all our new and interested swimmers in September and a one-week trial with all our new and interested swimmers in April. We also offer trial opportunities to individuals throughout the year.

SWIM TEAM TRIAL REQUIREMENTS: Each athlete must be able to safely perform a 25 freestyle and a 25 backstroke without stopping to continue with the trial. It will be the deck coaches' discretion as to whether each athlete is able to safely continue the practice. The ability to do a standing dive is highly encouraged, but not required. For safety reasons, our age **minimum is 6 years old**. We recommend that children work through the swimming lessons at the Y until they are ready to give Competitive Swimming a try. Please contact the swim team office at 920.954.7627 with any questions or visit our website at www.fcyst.org.

DEVELOPMENTAL

The Developmental Groups are utilized to help our newer athletes, regardless of age, to learn the fundamentals of competitive swimming. Athletes might stay in this group for several years or only a few months depending on how quickly they progress.

Team 1

Our Team 1 swimmers are our newest kids or our youngest kids that are learning the basic skills needed to advance on the team. These skills might be learning the physical strokes and how to keep their strokes legal, turns, dives or any number of other techniques. These skills might be learning how to swim in a lane with teammates, use the pace clock or any number of other things.

Team 2

Our Team 2 athletes are mostly made up of our swimmers who are eligible to compete in the 12 and under groups who have developed the basic skills needed to use training sets in practice. This group will also include older athletes still improving their skills, strength, and endurance.

Team 3

Our Team 3 athletes are mostly made up of our swimmers who are eligible to compete in the 13 and up age groups who are working to build the physical and mental skills needed to practice and or compete in the upper levels of their age groups. There are also athletes who are fully able to train and compete at higher levels but cannot commit the time needed for the Team 4 Training Plans. There are also some younger swimmers who can train and compete at higher levels of physical and mental maturity than their peers. (Requirements: 2:00 T-Pace minimum and willingness to learn how to race any event).

Team 4

Our Team 4 athletes are swimmers who can practice at high levels physically and mentally. There is a higher level of expectation placed on the swimmers in this group as they have spent years learning what it means to be a part of FCYST and what it takes to train at the upper levels of the sport. Team 4 athletes should meet with coaches prior to each season to discuss individual goals and desires for the season as well as meeting the expectations of the group. (Requirements: 1:40 T-Pace minimum, 75% practice attendance minimum—100% Accountability, Ability to complete whole sets and practices as directed)
