PARENT AGREEMENT

1. I hereby certify that my child is in normal health and capable of safe participation in the youth sports program. I assume all risk(s) and hazards incidental to the conduct of this program and for the transportation to and from the program. I hereby authorize the YMCA to obtain medical treatment for my child in the event that parent(s) cannot be reached.
2. I support YMCA Youth Sports philosophy, which is based on participation, fun, physical fitness and health, skill development, teamwork, fair play, family involvement, and volunteer leadership.
3. I understand that teams are divided by schools and grades and that the YMCA will try to meet parent requests, but not all requests may be granted.
4. The YMCA has provided me with concussion awareness and head injury information. I have read and understand what a concussion is and what the symptoms are. I understand it is my responsibility to seek medical treatment if a concussion is suspected. In the event that my child sustained a concussion I need written clearance from an appropriate medical provider to return my child to practice or to play games.
