- 3) I support YMCA Youth Sports philosophy, which is based on participation, fun, physical fitness and health, skill development, teamwork, fair play, family involvement and volunteer leadership. PROGRAM INFORMATION

This program will give girls 2nd through 6th grade (for the 2017-2018 school year) the opportunity to play volleyball in the fall. It is an excellent program for beginners and intermediate players. We emphasize fun, fitness, skill development, fair play and family involvement. The children will learn the rules and basic skills of passing, setting, serving, spiking, and blocking! The goal of the Y is to provide participants a great place to learn volleyball while having fun! The four core values of the Y: Respect, Responsibility, Caring and Honesty are emphasized!

This program will focus on developing volleyball skills. By developing these skills, we will progress into game situations and work towards live gameplay.

All players will receive a YMCA Volleyball shirt if registered before the deadline.

Register at the Appleton YMCA Member Services Desk. The completed form as well as payment are required to register. Online registration is also available.

Phone, fax and mail registrations are NOT allowed.
