Program Information

This program will give kids the opportunity to run track. All players will participate in three to four events. The elements of fun, fitness, fair play, skill development, and family involvement are emphasized. Three weeks of practice are culminated in a association wide track meet. The goal of the YMCA is to provide participants a great place to learn Track and Field while having fun! The YMCA staff also run "Team Huddles" each week to talk about the four core values of the YMCA which are Caring, Honesty, Respect and Responsibility.

All participants will receive a track t-shirt!

The Track & Field Season will run for four weeks on Saturdays at St. Francis Xavier Middle School from April 29 - May 20. The final week will be a track meet held at Appleton North High School.

The Track Meet will feature the softball toss and long jump for all participants. Children will also get to select from the following races— 50, 100, 200, and 400. Grade 3-6 will also have the opportunity to opt for the 800.

Race times will depend on registration numbers.
