130 YEARS OF IMPACT

YMCA OF THE FOX CITIES

For the past 130 years, the YMCA of the Fox Cities has not measured success based on the number of members or branches we have. Our largest accomplishment has been the ongoing positive impact the we've made in the Fox Cities and everyone apart of it. Everything the Y has done over the years, is in effort to, make individuals and our community... better.

GIVE FOR A BETTER US Every dollar you give makes a difference. Below are just a few ways your donation can help provide opportunities for everyone who walks through our doors. In celebration of the YMCA of the Fox Cities 130th Anniversary, please consider making a contribution to our Annual Campaign.
