

# BUILDING BRIGHTER FUTURES

My daughters Ava and Madison have really struggled with math. This is their second year attending the YMCA tutoring program and their teachers and I cannot believe the difference this has made with their confidence. Ava, who would never raise her hand in class, is now more confident and willing to participate. Our Lawrence University student who tutors my girls teaches math by explaining new concepts and playing games. My girls look forward to seeing her every week. Thank you so much for all of the help that the YMCA tutoring program has given to my girls!!

Grateful Mom,

The YMCA of the Fox Cities provides Before and After School Programs at 37 sites in collaboration with six school districts located throughout the Fox Valley. We are the largest youth-serving nonprofit in the Fox Cities. The Y is committed to improving academic achievement and providing access to enrichment opportunities for students in safe, supportive after-school environments. **On a daily basis, 1,800 Fox Cities' students attend a YMCA Before and After School Program!**

In 2016, the YMCA of the Fox Cities provided financial assistance to more than 9,000 members of our community. Membership dues do not include funding for financial assistance. We rely on generous support from donors like you to make it possible for the Y to give people in need the opportunity to be their best selves.

Donations to the YMCA Annual Campaign provides financial assistance that helps families and children thrive. Your gift will help youth achieve their potential, empower people of all ages to lead healthier lives and strengthen the entire community.
